## **THE AOSHS CHARTER MEMBERSHIP DRIVE**

Requests for Charter Membership were mailed to AOSHS Enrolled members on **November 20, 1995**. As of July 1, 1996, AOSHS had 262 Charter Members around the world.

When AOSHS applied for tax exempt status, the organization was informed that the Society would be approved in a short period of time, prior to the end of 1995, and therefore it was announced that the drive for charter members would end on December 31, 1995. However, because tax exempt status was not approved until February 23, 1996, the Board of Directors decided to extend charter membership to **December 31, 1996**, in an attempt to recruit other to join, after which the drive came to an end.

# **THE AOSHS INDIVIDUAL LIFE MEMBERSHIP (ILMP) PROGRAM**

Prior to and during the Sixth Annual Meeting of Members in Wichita in **2001**, an announcement similar to the following was distributed:

## ***ANNOUNCING THE AOSHS INDIVIDUAL LIFE MEMBERSHIP PROGRAM***

*The AOSHS Board has received many recommendations from members to create an Individual Life Membership Program (ILMP). It has now acted and done so.*

Items taken into consideration at the time were the convenience for members, with no annual dues or increases in future membership dues; and for AOSHS, the increase in needed cash flow and decrease of membership processing time for the volunteers. Members were given a membership payment tier depending on their age and given three years to complete their Life Membership payment(s). First payments were recorded as ILMP-1, second as ILMP-2, with the final payment recorded as LIFE. Those members who participated but did not complete their final payment(s) by three years were not categorized as LIFE members.

The tier was as follows:

<b><u>AGE BRACKET</u></b>	
21-30	\$640
31-40	\$535
41-50	\$450
51-55	\$375
56-60	\$310
61-65	\$255
66-70	\$215
71-75	\$180
76-80	\$145
81+	\$110

Members were provided with a membership number and a wallet-size Identification Card. The program was discontinued on **August 1, 2009**.
